Programme First Week

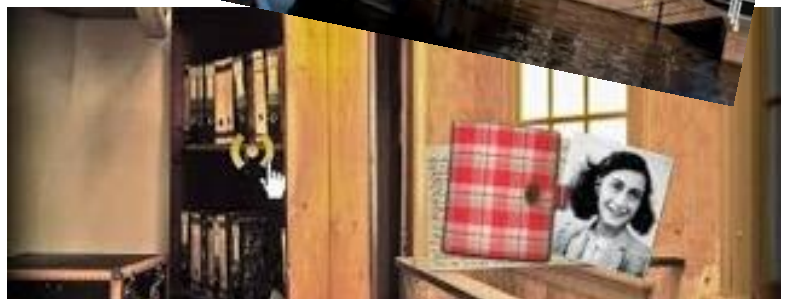

RC Sassenheim will be your host. The village of Sassenheim is located in the western part of Holland, just behind the dunes which protect us from the sea. The area is in midst of the famous Dutch flower fields. Idyllically located and surrounded by lots of waterways and windmills. We are only a stone's throw away from the Dutch big cities in the center of the world of culture, economics and politics: Amsterdam, Rotterdam and the Hague.

In the program of this week we plan to visit Amsterdam and see the Anne Frank House, take the boat on the canals and stroll through the streets of this fascinating city. You will also visit Volendam, a famous fishermen's village. There will be a quest and exploration of the old university town of Leiden.

You will enjoy the beach of Noordwijk, do all sorts of sportive activities like a bootcamp, cycling and sailing. We will organize a Rotary club dinner and the Good-Bye dinner on Friday evening and there will also be time to just relax and enjoy each other's company.

At the end of the first week we hope you will take with you rich memories of a great experience together with a lot of new and international friends.

Programme Second Week

Meet and greet RC Venray will be your host. The village Venray is located in the northern part of the Province of Limburg. This province is in the south east of the Netherlands bordering Germany.

Maastricht, the capital of this province is well known from the undersigning of Schengen treaty in 1985 thus eliminating the borders between the various EU countries for traffic. The region of our Rotary club is well known for its industrial activities, especially logistics. To get an impression of the region, visit the website www.lekkergenieten.nl

In the programme of this week we plan to have a visit to Maastricht and a variety of outdoor activities (watersport, bike riding, bootcamp) and cultural topics. We will also visit the city Roermond (with the famous designer outlet with more than 150 shops, brands like Adidas, Nike, Puma, Armani, UGG etc).

Being together with the host families, with the group and with the young people out of our region will be possible during evening sessions as BBQ, swimming, karaoke and other social events.

"So we can say at the end of the week:

This was a great Southern Xperience !"
