*Mexico is a country full of natural and cultural richness. It is time to share it with all our friends in the world. One way is to receive them in a Rotary environment where the friendship becomes an occasion to serve. It fills us with excitement to have the opportunity to share our heritage values with the new generations and promote our country.
Welcome to Mexico!*

**MESSAGE FROM THE ROTEX 2009-2010 MEXICO-FINLAND
SILVANA CORRES
HOST**

*¡Hi guys!
In the period 2009 – 2010 I had the fortune to be an exchange student in the city of Kuopio, Finland. Without a doubt this has been the most enriching experience of my life!
What I enjoyed the most was sharing the cultural richness of my city Oaxaca, its natural and built heritage, as well as its costumes and traditions.
Now it's your chance to get to know Oaxaca! With four UNESCO declarations, Oaxaca stands out as the "Cultural Essence of Mexico".
Live a Rotary experience of friendship, service, respect and valuation of our heritage in one of the most beautiful cities in the world!*
